

# NCWORKS FOR AGRIBUSINESS IN NORTH CAROLINA

North Carolina is one of the largest agricultural states in the country. Our farmers need more than 80,000 employees each year to work during various harvest seasons.

If you're interested in working at a local farm or other agribusiness, NC Works is here to help connect workers with jobs.

In order to ensure that our farms and agribusinesses have the workforce they need, NCWorks Agricultural Services can help jobseekers with:

- Connecting to local job openings
- Assistance with H-2A process and hiring
- Training and upskilling
- Housing and transportation assistance
- Connecting with other community resources and support
- Covid-19 safety resources

---

### Start your job search today.

If you're interested in a job in agriculture, visit [des.nc.gov](https://des.nc.gov) to view all job listings in the North Carolina labor exchange system. You can find your local Career Center at [ncworks.gov/gsipub/index.asp?docid=663](https://ncworks.gov/gsipub/index.asp?docid=663). Job seekers may also visit the U.S. Department of Labor to see all seasonal job opportunities at [seasonaljobs.dol.gov](https://seasonaljobs.dol.gov).

Farmworker positions normally available in North Carolina include equipment operator, nursery worker, and planting and harvesting of diversified crops. All jobseekers interested in seasonal positions may contact NCWorks at 919.814.0544 for assistance with the application process. NCWorks offers its services to agricultural employees free of charge.

**Call NCWorks today so we can help  
you with your job search.**
