

NCWORKS BUSINESS EDGE

NCWorks Business Edge is dedicated to supporting businesses through each stage of the business life cycle.

Business Edge can help companies improve operations and avoid layoffs, plant shutdowns, and even bankruptcy.

Strategic Business Solutions

Business Edge is designed to assist at-risk companies before they have to layoff employees. It provides a unique opportunity for companies to implement strategies designed to save jobs—and ultimately save businesses. Risk factors often exist with companies that are struggling, including:

- Declining sales
- Supply chain issues
- High employee turnover
- Industry/market trends
- Safety and quality compliance concerns
- Changes in management or ownership

Supportive Partner Network

Business Edge connects companies with various community resources, including partners who can assist with financial planning, technology assessment, marketing, and employee training. **We connect businesses to the resources they need to improve their bottom line.**

We respect the privacy of the data and information shared with the Business Edge Team.
